NATURE'S OWN SKIN PURIFIER.
The R. T. Booth Company are AGAIN the First Ones to Discover.
They have found that the fresh green leaves of the Tasmanian Blue Gum Tree
can be made into a toilet and skin soap and yet retain all its fragrant, healing
and antiseptic qualities. These crushed green leaves have been for years the sole
remedy used by the natives of that country for the cure of wounds, sores, ulcers,
and they are now used in all the leading hospitals of London in the treatment of
skin diseases.

HYGOMEI ANTISEPTIC SKIN SOAP
Cures eczema, ulcers, blackheads, sunburn, chapped hands, sore lips or eyes,
wounds, stings, and all cutaneous diseases.
The thought of using a soap which does not contain fats and grease is refresh-
ing in itself, and when we know that this delightful toilet requisite is obtained en-
tirely from Nature's own laboratory, there is not much doubt of its general use by
the public.
Hygomei Skin Soap sold by all druggists or sent by mail for 25c. Ask your
druggist for a sample cake or send 2-cent stamp for postage and we will mail one

METHODIST PREACHERS

SERMONS BY RETIRING AND IN-
COMING PASTORS.

The Methodist preachers met at
Epworth Church yesterday morning.
The session was called to order by the
late president, Rev. W. H. Edwards.
Prayer was offered by Rev. Jos. H.
Amis, Presiding Elder of the Ran-
dolph-Mason District.
A motion by Rev. Dr. H. E. John-
son, that re-organization and election
of officers be postponed until the ar-
rival of all the new preachers in the
two districts was adopted.
Rev. S. C. Hatcher reported a fine
day at Queen Street Church Sunday.
He spoke pleasantly of the late con-
ference and said that whatever differ-
ences of opinions prevailed among the
members, he felt that the Holy Spirit
ruled and reigned in the hearts of all
the preachers.
Dr. Johnson voiced the sentiments
expressed by Mr. Hatcher.
Rev. J. N. Latham, the new pastor
of Park View, Portsmouth, reported
a very pleasant Sunday and that he
had been kindly received by his peo-
ple. He preached at night on "Jeremiah
at the House of the Potter."
Rev. R. H. Bennett preached his
farewell sermon to a very large audi-
ence at McKendree Church Sunday
morning on "Looking Unto Jesus."
The new pastor, Rev. W. R. Proctor,
preached at night on "Christian Ser-
vice," from the text, "If Any Man
Serve Me, Him Will My Father Honor."
Rev. R. M. Chandler, the new pastor,
preached to a large congregation at
Centenary Sunday morning a fine dis-
course from the text, "Go and Tell
Jesus." At night the retiring pastor,
Rev. W. H. Edwards, preached, taking
as his theme the "Apostolic Benedic-
tion." Mr. Chandler reported that he
had been most hospitably received by
his people.

THE BAPTIST ORPHANAGE.

SUCCESSFUL BENEFIT ENTERTAINMENT LAST NIGHT.

The Junior Baptist Young People's
Union gave an entertainment last night
at the First Baptist church for the ben-
efit of the Baptist Orphanage at Salem.
There was a large attendance and the
donations received amounted to a con-
siderable sum. The following program
was rendered:
Opening Song—"We Are Junior Sol-
diers," by the Union.
Scripture Reading—By the president,
Mr. Charles Pond.
Prayer—By Rev. E. B. Hatcher, pas-
tor of the First Baptist Church.

ley.

a short talk.

Doath of H. C. Chisnell.

Mr. Fred C. Chisnell received a tele-
gram Sunday afternoon briefly an-
nouncing the death of his brother, Mr.
Harry G. Chisnell, at Pittsburg, Pa.
The message stated that the remains
had been sent on to the home of the
deceased at Akron, Ohio, where the
funeral will be held Wednesday morn-
ing.
Mr. Chisnell, who knows no further
details of his brother's taking off, left
last night for Akron, via the Bal-
timore and Ohio.
Deceased was 33 years of age, and
leaves a wife and two small children.
He was well known in the North and
East, as he was the general manager
of the Diamond Plate Glass Company,
of Kokomo, Ind. This company has a
branch at Pittsburg, Pa., and it is
supposed that Mr. Chisnell was there
on business connected with his com-
pany.

Y. M. C. A. Notes.

There will be a committeeman's tea
and conference to-night at 8 o'clock.
Two hundred and four boys attended

land's "Big Minstrel Festival," with

attract the usual large attendance.

"IN PARADISE."
One thing is certain, "In Paradise,"
which comes to the Academy Thanks-
giving, matinee and night, has suc-
ceeded in commanding the attention of
New York theatre-goers for several
weeks at the Bijou Theatre. The com-

the coming attractions none will be
more welcome to the theatre-going
public than Ward and Cackett's com-

men expressed a desire to follow Christ
at the close.

Several interesting results were re-
ported at the meeting of the Yoke Fel-

be seen that the musical concert to be
given by Miss Dillard at the Y. M. C. A.

Thursday, December 7th, at the same
place and hour.

BRAMBLETON.

farewell reception at the McKendree M. E.

new field of labor. Mr. and Mrs. Ben-
nett will leave for Richmond this after-
noon. From there they will visit his
mother at Ashland and then his wife's
parents at Charlottesville before enter-

Mr. L. D. Flanagan, of Brambleton,

Barrett in the pastor's study of the
Christian Memorial Temple Sunday
evening. The ceremony was witnessed
by a few close friends.

relict of the late Charles Nelson, who
died Sunday at the advanced age of 76
years, was held from her residence, No.
622 Brambleton avenue, at 3 o'clock yester-
day afternoon. The services were
conducted by Rev. Edward Mack, D. D.,

Rev. John W. Carroll, the new pas-
tor of the Methodist Church, is expect-
ed here the latter part of this week.

The ladies are getting the parsonage in
readiness and will give Mr. Carroll and

nue, who has been ill for several weeks,
was taken yesterday to St. Vincent's
Hospital to be operated upon.

The funeral and interment of Ruth,
the only child of Mr. and Mrs. L. N.

wood Cemetery.

Mr. F. M. Hammill, employed at the

The Committee on Public Property
was instructed to purchase a heating
stove for the cell room.

The bill in excess of the amount ap-
propriated for the purchase of equip-
ments for the fire department, due to
the purchasing of a better quality of
goods, was allowed.

The Committee on Public Property
reported that it had put out plans and
specifications for the new Council
chamber, and several bids had been re-
ceived. The lowest was Mr. George
Whitehurst, which had been accepted,
with bond, the amount to be fixed by
the committee.

NEW BUSINESS.

The Torrent Fire Company No. 1
asked that \$25 be appropriated to pur-
chase a rubber sucker sleeve for the
new fire engine. Referred to the Com-
mittee on Public Property.

A communication was read from the
residents on Lee street, between Pearl
and Middleton, asking that Lee street
be improved by curbing and gutter-
ing.

A bill was submitted by the South
Norfolk Water Company for the re-
moval of two fire plugs which are not
on the proper lines. The question was
raised as to whether the town should
recognize such a bill. Mr. Jacobs, on
the Public Property Committee, stated
that he had found a number of holes
out of the proper lines on the streets
and on notifying the parties they had
been removed at their own expense,
and he did not think it a good prece-
dent to recognize bills from the water
company, when it went ahead and put
down mains and hydrants regardless of
lines and grades. The bill was referred
to the Improvement Board for payment,
of found correct.

The Recorder made it known that the
time for the payment of the notes given
for the hose reel and the equipment for
the Fire Department, \$1,800, had about
arrived. On motion, a committee, con-
sisting of Messrs. Whetstone, Martin
and Jacobs, was ordered to draft a
\$10,000 bond to be submitted to the
Legislature, to cover the purchase and
laying off of the cemetery and the cost
of the town building and other general
town improvements.

Other bills for minor amounts were
referred to the Finance Committee with
instructions to pay if found correct.

Mr. Jacobs called the attention of
the Councils to the fact that when the
several fire companies were being or-
ganized that a volunteer chief over all
the companies would be appointed to
direct the department as a whole in
case of fire. He nominated for that
office Captain M. C. Keeling, who de-
clined, saying that his obligations were
already too great.

The Town Recorder was then in-
structed to negotiate with the different
companies and request them to hold a
meeting and recommend a chief.

STREET RAILWAY FRANCHISE.

A resolution was offered by Mr. Geo.
G. Martin and unanimously passed,
granting to the Norfolk Railway and
Light Company the right to use the
streets of the town for the purpose of
operating a street railway. It is un-
derstood that Mr. R. Lancaster Williams
of Richmond, is at the head of this com-
pany, and that he expects to invest in

the town a large amount of capital.
The proposed railway will be an exten-
sion of the Norfolk line across the
Eastern Branch of the Elizabeth river,
thus connecting Berkley with Norfolk
by one continuous line. At what point
the river will be spanned is not known,
but it is thought that the foot of Main
street, Norfolk, is the most probable.
The line will extend up Main street,
Berkley, thence branching through the
town. It is also thought that if he can-
not secure a franchise to cross the river
at the point mentioned that Campostella
bridge will be the next feasible point.
Should this project materialize one of
the most beautiful residential and busi-
ness sections will be opened up to im-
provement. The section is level, almost
free from ravines and can be improved
at small cost.

HUNG ON TO THE CHICKENS.

Their insatiable propensity for fowls
makes chicken thieves very bold in
Berkley. Mr. G. H. Grey was aroused
yesterday morning about 6 o'clock from
sleep by his chickens cackling and
otherwise giving notice of the presence
of an intruder in his hen-house. Sur-
veying the henhouse from his bed-room
window, and seeing nothing, he halted,
and soon after a man walked out with
a bag on his back containing four or
five fine fowls. When he stopped to
close the door, Mr. Grey tried his pis-
tol on the intruder, but it failed to fire.
By this time the thief was in flight,
and Mr. Grey sent two shots in his di-
rection, neither of which caused the
thief to drop the bag of chickens which
he doubtless had procured for Thanks-
giving.

THE POLICE COURT.

The Police Court was presided over
yesterday by Captain M. C. Keeling. In
the absence of the Mayor, Hon. R. A.
McCoy.

Samuel Gilliam and Maggie Cuffee,
both colored, were up. They were told
that they would have to pay \$50, go to
jail or get married. They decided that
the latter was the easiest way out of
trouble. A license was procured and
they were joined in matrimony by Rev.
Jeremiah Cuffy in the presence of sev-
eral spectators and under the direction
of Sergeant Rudd.

Willie Seymour, colored, was ar-
raigned for shooting within the town
limits and fined \$2.50 and costs of court.
Mr. Forbes, who was quite badly in-
jured Saturday night in a fracas on
Liberty street extended, was thought
to be somewhat improved yesterday.

Mr. and Mrs. R. M. Phelps have re-
turned from their Northern wedding
tour.
